Ok, thanks for letting me know! Based on the meeting today, we will be briefing the Administrator again (hopefully in 2 weeks) on Dewey Burdock to cover the four areas where she had questions. Douglas was going to check in with you to coordinate either this afternoon or Monday.

That said, please let us know if you do want to include Dewey Burdock in this other meeting.

Thanks and have a great weekend!

Hi Sarah,

I think this was in error. We are planning to update Joel on CA AE, seismicity, and Florence copper (R9). Dewey burdock was also on our list, but since the admin briefing already happened, we may not cover. If we do plan to cover that in any detail, I will let you and Douglas know.

Thanks,  
Holly

Hi Paula –

Do you have any more details about this meeting? If this is in reference to the Florence Copper (AZ) Class III permit, then I am not the correct Regional contact. Holly should be able to tell you who to include from Region 9 in addition to David Albright.

Thanks!  
Sarah
